# GET UP AND GLOW

**1. Melyon** is a Swedish skincare brand 'made with people of colour in mind'. Its vegan formulations use a combination of acids (salicylic, hydrochloric) natural ingredients (ginger root extract, papaya extract) and vitamins to that target conditions commonly found in darker skin tones while still being suitable for all. Melyon is an expression of founder Roger Dupe's Swedish and West African heritage. Discover online at [www.melyon.co](http://www.melyon.co) and follow @officialmelyon on Instagram.

**2. DALU's** Hyaluronic Youth Elixir 1% is a winning combination of bioactives. It has been clinically proven to reduce the appearance of wrinkles by 11% in just 4 weeks and aims to intensively rehydrate the skin, with 100% of tested women agreeing. DALU's products are all dermatologically tested and have been approved by Positive Luxury for their natural, organic and sustainable skincare. Shop online at [www.dalubeauty.com](http://www.dalubeauty.com) and follow on Instagram @dalunaturalskincare

**3. Founded** by Mélanie Huynh, fashion stylist, Holidermie is a beauty brand born from her vast experience of over 20 years working with the very best in the industry. Holidermie has a holistic approach to beauty which combines beauty food and supplements, skincare and mindful self-massage: 3 pillars which work in synergy to create a truly wonderful beauty ritual. Available at Harvey Nichols, or shop at [en.holidermie.com](http://en.holidermie.com)

**4. AEOS.** For skin in extra need of TLC, intensely hydrate and visibly regenerate with their ultra-rich creams designed for very dry, prematurely ageing, environmentally sensitised or eczema-prone skin. Formulated with higher percentages of their lovingly harvested biodynamic spelt oil harnessed using supercritical CO2 extraction methods to preserve its full properties. Calming and deeply restorative, spelt oil aims to smooth fine lines and wrinkles whilst improving the appearance of pigmentation. Naturally beautiful skin starts here. [www.aeos.net](http://www.aeos.net)

**5. From** their dedicated women farmers in West Africa, The Kind Planet Company created POWER BALM in their kitchen in Kent. The Kind Planet Company's cult skincare saviour is nourishing to your skin and just as kind to the planet. Organic. Vegan. Kind. Ethical. This is sustainable skincare with traceable ingredients. Visit [thekindplanetcompany.com](http://thekindplanetcompany.com) and follow @thekindplanetcompany on Instagram.

**6. AKINS** have created a complete range of vegan SPF and skincare solutions for the face and body, that are sustainable, functional and scientifically-curated for your sensitive skin. Their products have a lightweight and moisturising texture and include anti-oxidants rich in Ectoin and locally sourced pineapple-ceramide: ideal for acne-prone skin. Their goal is to balance the power of nature and science, without harming sea life, such as coral reefs and other precious marine creatures. AKINS doesn't only serve you and your skin; it also serves the environment. Visit them online at [akinskin.com](http://akinskin.com) and follow on Instagram @akins.sunscreen

**7. Add Actives** C20 Tetraforce Activator is one of the highest quality Vitamin C Concentrates available. Extremely potent, yet gentle, this non-peeling and non-acidic Vitamin C Activator seeks to visibly even and brighten skintone, support natural collagen production and minimise the appearance of wrinkles, scars and stretch marks. Shop online at [addactives.eu](http://addactives.eu) and follow on Instagram @add.actives

**8. GloFre** Skin is a results driven skin care brand that started with the sole purpose of providing its customers with natural, organic and cruelty free skin care products to tackle problematic skin. They pride themselves for using high quality ingredients, ensuring all their products are fresh and full of ingredients that benefit your skin. Explore the range at [www.glofreskin.com](http://www.glofreskin.com)

**9. Rose Crosby.** The power of nanocurrents are harnessed in ZIIP's formidable at-home, handheld electrical device. Equipped with several targeted treatments, intelligent energy creates change on a cellular level, delivering an increase in collagen and elastin production, as well as helping to improve cell turnover and healing times, leaving skin glowing, healthy and lifted. Discover more at [rosecrosby.com](http://rosecrosby.com) and follow @rosecrosby\_ on Instagram.

**10. Zalina** Swiss Organic's Pristine Organic Facial Oil is a luxurious face nutrition elixir, containing 8 powerful, harmonising phytonutrient extracts. It is 100% organic, artisan and freshly made, with no preservatives and comes in a lightweight biodegradable container. The elixir contains precious and exotic oils which contain skin smoothing properties which seek to stimulate and activate skin metabolism, reduce the appearance of acne inflammation as well as fine lines, and visibly improve elasticity and bounce. Your skin will look and feel healthy, regenerated, radiant and glowing. Suited to all skin types and tones, both women and men. Available to shop at [zalinasswissorganic.com](http://zalinasswissorganic.com) or alternatively contact Zalina directly at [zalina@zalinasswissorganic.com](mailto:zalina@zalinasswissorganic.com)

**11. Beau Bakers** Face Cake Patisserie founded by Dominique Fadeni is a new, inclusive beauty brand. They specialise in high quality, cruelty free cosmetics at affordable prices. Their high quality and affordable range includes specially formulated ranges to flawlessly colour match all skin tones. Their mission is to re-write the standards of beauty to include all: expect them to trail blaze for representation and inclusivity in the independent beauty sector. Pictured is one of their sumptuous lip colours - 'Pillow Talk'. Shop online at [www.beaubakers.co.uk](http://www.beaubakers.co.uk) and follow on Instagram @beaubakersco

**12. Zoe Bee** Beauty is a luxury skincare brand containing natural ingredients carefully selected from their origins worldwide. These magical creams aim to nourish, heal and beautify skin, helping people to feel more confident and love the skin they're in. It's no wonder these beautiful creams sell out in minutes! Discover more at [zoebeebauty.co.uk](http://zoebeebauty.co.uk) and follow @zoebeebauty on Instagram.

**13. Lief** Essentials is a vegan beauty brand that offers high-quality affordable cosmetics from around the world. All of their products are cruelty-free and sustainably sourced and contain innovative natural formulas to gently treat your skin. Visit their website to discover the latest trends from Korea! [www.liefessentials.com](http://www.liefessentials.com) #LoveLief

**14. SKN+** is an organic cure for problematic skin. Their products are made with all natural organic ingredients such as tea tree oil, papaya seed oil, lavender and more to help heal acne. Aims to reduce wrinkles and fight aging skin. SKN+ will help retain your skin's moisture and give you a never ending natural glow. Discover online at [www.naturalskincare.com](http://www.naturalskincare.com) and follow @naturalskincare on Instagram.

**15. QOBOTI** – Shampoo & Protein Mask. 50% of profits are reinvested in social project in Cameroon. This powerful duo will make wonders for your hair. Artisan made on demand with natural and organic ingredients. Helps with dry and brittle hair, provides more volume, nourishes intensely leaving hair smooth and luxurious. Discover more at [www.qoboti.com](http://www.qoboti.com) and follow @qoboti on Instagram.

**16. Essentia** handmade bathbombs. Made using organic, vegan and natural ingredients. Engage your senses and turn your humble bath into an at-home spa session. The essential oils will soak away stress and promote healthy sleep; leaving your skin feeling refreshed and silky smooth. For more indulgent self-care products, visit [www.essentiabodycare.co.uk](http://www.essentiabodycare.co.uk) and follow @essentiabodycare on Instagram.

**17. Zhanelica** continues to surprise us with makeup that inspires. Featured is their most recent "Soulmates" eyeshadow palette decorated with delicate artwork and Swarovski crystals. Certified cruelty-free, "Soulmates" includes six shimmers and three pastel mattes. Visit [www.zhanelica.com](http://www.zhanelica.com) and follow @zhanelica on Instagram.

**18. Transform your Beauty** to a whole new level with Sono Essence Crystal Infused Skincare. Their collection consists of Organic Ingredients, Hand-picked Crystals, and a Positive Affirmation leaving skin feeling healthy and appearing radiant. Featured is their Cleanser and Facial Oil. All products are vegan and free of fragrance, harsh chemicals and sulfates. Handmade in USA. Shop online [www.sonoessencecellc.com](http://www.sonoessencecellc.com) and Instagram @sono\_essence
